Description:

Provide a strategy for integrating NCO battle staff training.

Remarks:

Representatives of DLDC and ODCSOPS&T made an assistance visit to USASMA, 9-10 Dec 03.

Status:

Strategy to be briefed at Jan 04 DTC.

Recommendation: Closure – 22 Jan 04

Digital Master Trainer Course

Tasker Number: 57

Lead Agency: USAARMS

Assist Agency: CAC-CTD

Date Opened: 17 Jul 03 – Ft. Gordon, GA

Description:

Assess the need for FBCB2 digital master trainer course.

Remarks:
- DMT is unit asset – coord tng, troubleshooting, certification
- Tgt Audience needs identification
- Resourcing competes w/other initiatives
- DMTC needs to expand to all ABCS
- DMTC probably functional course
- HQDA and CG, TRADOC desire limitation of functional courses.
- Training Strategy calls for integrating digital training into PME instead of creating functional courses

Status:

Armor School indicates DMTC is needed, but focus needs to expand and resourcing remains an issue.

Recommendation:

Create FBCB2 Common Courseware

Tasker Number: 59

Lead Agency: USAARMS

Assist Agency: CAC-CTD

Date Opened: 17 Jul 03 – Ft. Gordon, GA

Description:

Create common courseware for FBCB2 for use across TRADOC that will certify operators as being FBCB2 operators.

Remarks:

Status:

Recommendation: Closure – 22 Jan 04
